To start a presentation, go to the Slide Show tab, and select From Beginning.

During your presentation, the speaker notes are visible on your monitor, but aren't visible to the audience.

If you don't see the Notes pane or it is completely minimized, click Notes on the task bar across the bottom of the PowerPoint window.

To display Presenter view, in Slide Show view, on the control bar at the bottom left select the three dots, and then Show Presenter View.

The Notes pane is a box that appears below each slide. Tap it to add notes.
